Booking with Nina Price Travel

Our World Your Way

Booking a holiday or experience with Nina Price Travel couldn't be simpler.

I'm on hand here to talk you through any ideas or questions you might have and help inspire you on your next travel adventure.

Be it a family trip, solo mission, a cruise, city break or just a good old fashioned beach break I can help turn your travel dreams into reality.

Start Exploring.

Contact

Take your first step by emailing me info@ninapricetravel.co.uk or filling in the booking form on my website www.ninapricetravel.co.uk. We can then talk through your ideas so I can get a feel for what type of holiday or experience you are looking for.

I will ask some routine questions to get dive deeper into your travel likes and dislikes, needs and requirements. E.g if anyone in your party has dietary requirements, disabilities, are you celebrating a special occasion, do you want to hire a car, and is there anywhere or anything you want to avoid

Proposal

I will then work on crafting a proposal which includes everything we have spoken about. You'll find details on hotels, trips, getting there, local recommendations and more. This is where you can make changes to your heart's content.

Booking

Once you are happy with all the details, I will proceed to booking your holiday with all your preferences. A final itinerary will be sent to you, for you to check once again before then making payment to secure your trip.

Travel Day

All your final travel details will have been sent to you and all you have to do is get ready to leave. Pack your bags , don't forget your passport and off you go!

Welcome Home

I love feedback so once you have returned I will be in contact with you to make sure everything went as smoothly as it should.

Next Trip Pending...

When the holiday blues set in...the best thing to do is get thinking about your next trip! I'll be ready and waiting to receive your next enquiry.
